CoCo Key for the Cure

CureSearch Fundraiser

Sunday, May 25, 2008 10:00am – 8:00pm

You are invited to a fun-filled fundraiser to benefit CureSearch!

CureSearch is the leading foundation for childhood cancer research. CureSearch unites the world's largest childhood cancer research organization, the Children's Oncology Group, and the National Childhood Cancer Foundation through the mission to cure childhood cancer. Clinical trials developed with the money raised by CureSearch are conducted right here in Omaha at Children's Hospital and the Nebraska Medical Center. Research is the key to the cure.

This fundraiser is being held in conjunction with the Pay It Forward contest sponsored by WOWT 6 Omaha. Winners of the contest are given 30 days to turn \$1,000 into much more for a charitable cause. One of the 6 winners and host of **CoCo Key for the Cure** is Tanya Custer of Gretna, NE. More information is available at wowt.com – click on Pay It Forward, then search for Tanya Custer.
